

Mission Statement

Pumpkin Patch exists to provide a safe and intellectually stimulating atmosphere for children ages 6 weeks to 12 years.

We deliver quality care and educational experiences that support each child's social, emotional, cognitive and physical development.

We believe the foundation of a child's learning experience is essential to their growing minds.

You Did It!

You have found the perfect center to meet your childcare needs! Finding the right caregiver is often challenging, but one of the most important decisions that you will make for you and your children. The relationship your children have with their caregivers will also affect how they feel about themselves and the world around them as they grow. Together, we can help your children develop and realize their full potential.

Flexible Schedules

We offer full time, part time and occasional care to accommodate your busy schedules!

Loving Staff

Our teachers complete an extensive training program and are 1st Aid and CPR certified. At Pumpkin Patch you will find teachers that are caring, patient and willing to go above and beyond for the children and their families.

Our Goals

- To provide a nurturing, safe, healthy and happy environment for all children.
- To enable each child to grow and develop to their fullest potential socially, emotionally, cognitively and physically.
- To enhance every child's self-esteem and respect for others.

About Us

Pumpkin Patch is a family owned business that strives to provide the best possible care for your children. We are a State Licensed center that takes pride in our carefully developed curriculum.
